Juniper Village Residents Record Video to Create Bridge with Families

Mount Joy, PA – This past Grandparents Day, residents at Juniper Village at Mount Joy, a personal care community, created a video to share with their families to bridge the distance between themselves and their loved ones. Residents and staff took turns reading the book *Right Now I Am Fine* by Dr. Daniela Owen, which helps children deal with the complications of stress and anxiety from the COVID pandemic. The residents also participated in S'morey Time fun when they watched the heart-warming video and indulged in the scrumptious treat. Room service delivery of the chocolately, marshmallowy, graham crackery, gooey goodness brought out reminiscent smiles reflecting on campfires, family bonding and storytelling. Perfectly roasted and delightfully sweet, everyone enjoyed this favorite snack.

Juniper Village at Mount Joy is located at 607 Hearthstone Ln, Mount Joy, PA 17552. Telephone [\(717\) 492-9692](tel:7174929692), <https://junipercommunities.com/community/juniper-village-mount-joy-senior-living>.

About Juniper Communities, LLC

Juniper Communities, a leader in quality, value and innovation in long-term care, operates communities in New Jersey, Pennsylvania and Colorado that emphasize residents' well-being, interaction and security. Our communities and approach to housing and care offers residents the opportunity to live a full life, regardless of age or health. Juniper's innovative Connect4Life program has been proven to improve residents' care by decreasing hospitalizations, re-hospitalizations and urgent care visits, while offering potential cost savings to public programs such as Medicare. To learn more about the many ways Juniper Communities innovates in support of our residents, please contact us at junipercommunities.com or 973.661.8300.
