Chukar Partridge Makes Juniper Village Home

Mount Joy, PA - It is said that the partridge shows up as a spirit guide when you are working to gain new knowledge as well as when you are experiencing a situation in which you are in need of care. With that sentiment, it surely seems fitting for a chukar partridge to visit Juniper Village at Mount Joy while they navigate their path forward during the pandemic.

Juniper's residents and staff warmly welcome its presence and graciously accept the wisdom and care it brings. This new neighbor "Namos" as one resident has lovingly named the bird, can often be seen foraging about among the hosta and black eyed susan or sunning on the stone wall of the front porch. If you sit quietly and listen close you just might hear the "chuck, chuck, chuck" of this partridge's call. The partridge has become the talk of the village as residents and associates alike look forward to catching a glimpse of Namos each day.

"Perhaps the wisdom and care gifted to us is to simply suggest that we open our eyes, and look with wonder at the beauty all around us," stated Juniper Village.

Juniper Village at Mount Joy is located at 607 Hearthstone Lane, Mount Joy, PA 17552. For more information call (717) 272-8782 or visit www.junipercommunities.com.

About Juniper Communities, LLC

Juniper Communities, a leader in quality, value and innovation in long-term care, operates communities in New Jersey, Pennsylvania and Colorado that emphasize residents' well-being, interaction and security. Our communities and approach to housing and care offers residents the opportunity to live a full life, regardless of age or health. Juniper's innovative Connect4Life program has been proven to improve residents' care by decreasing hospitalizations, re-hospitalizations and urgent care visits, while offering potential cost savings to public programs such as Medicare. To learn more about the many ways Juniper Communities innovates in support of our residents, please contact us at junipercommunities.com or 973.661.8300.
