Long awaited porch visits reunite families at Juniper Village at Lebanon

Lebanon, PA – August 12, 2020 marked a beautiful day at Juniper Village at Lebanon. The skies were clear, temperatures were in the 70's, and there was no rain in sight. Not only did the sun shine brightly, it was also the first day that families could reunite with each other through in-person porch visits. Gone were the many months of distanced phone calls, Facetime, fence and window visits.

Pictured is resident Louise Karsnitz and her daughter Karen Miller enjoying their first porch visit.

Juniper Village at Lebanon is located at 1125 Birch Road, Lebanon, PA 17042. For more information call (717) 272-8782 or visit www.junipercommunities.com.

About Juniper Communities, LLC

Juniper Communities, a leader in quality, value and innovation in long-term care, operates facilities in New Jersey, Florida, Pennsylvania and Colorado that emphasize residents' comfort, interaction and security. Our facilities and approach to housing and care offers residents the opportunity to live a full life, regardless of age or health. Juniper's innovative Connect4Life program has been proven to improve residents' care by decreasing hospitalizations, re-hospitalizations and urgent care visits, while offering potential cost savings to public programs such as Medicare. To learn more about the many ways Juniper Communities innovates in support of our residents, please contact us at junipercommunities.com or 973.661.8300.
