Re: COVID-19 Safety Procedures

- 1) The JPR Group, LLC, as a condition of employment, asks its associates to be vaccinated against the novel coronavirus.
- 2) The JPR Group, LLC, is currently allowing all associates to work remotely to lessen the possible spread of the virus.
- 3) The JPR Group, LLC, requires its associates to wear a face mask if required by any institution, organization, or company it provides services to when visiting. Also, The JPR Group, LLC encourages its associates to wear a mask at gatherings and indoors regardless of others' policies on masks and socially distancing.
- 4) The JPR Group, LLC, associates are willing to provide proof of vaccination upon request.
- 5) The JPR Group, LLC, associates are willing to comply with client coronavirus screening requests.
- 6) The JPR Group, LLC, relies upon the integrity of its associates to monitor their health prior to attending any client event or visiting any clients.

COVID-19 Liaison to Fordham University
